

LEMON FESTIVAL

SATURDAY, AUGUST 14

10 am - 6 pm

The 24th Annual Lemon Festival Making Lemonade out of Lemons

Third Avenue Village Association's Lemon Festival returns on Saturday, August 14 from 10 a.m. - 6 p.m., celebrating our 24th year with a twist. We are embracing the need to rearrange some of the traditions and are anticipating a great day in the Village!

Third Avenue will remain open for traffic but will close at Davidson Street for stage placement and activities.

We invite our members to set up booths on the sidewalk (no fee) to be front and center for increased foot traffic. *All members at set ups must comply with ADA guidelines regarding walkways and sidewalk spaces.

Get creative and incorporate the lemon theme and take advantage of promoting your business!

Send us your lemon themed ideas for shout outs on the Third Avenue social media pages, promotional material, and press releases.

This event will showcase a variety of lemon-infused fun including music, contests, and specific lemon themed arts.

TAVA has partnered with Arts in the Park to activate Memorial Park.

Please submit your Member Application right away to ensure promotional opportunities.
